PROFESSIONAL EXPERIENCE

Accounts Assistant | Davy's of London **10 Mar 2025 - 24 Jul 2026**

Greenwich, United Kingdom

- Supported month-end close across four legal entities, supplying information and schedules for accruals and prepayments prepared by the Finance Manager.
- Posted SAP Concur-generated journals and supplier-payment journals to Microsoft Dynamics NAV, maintaining general ledger records and supporting accurate period-end processing.
- Independently completed assigned bank-account reconciliations and the company's corporate credit-card reconciliation, investigating differences and posting related accounting entries.
- Personally processed 200+ supplier invoices per month, including purchase-order matching, VAT and general ledger coding, entity allocation, supplier-query resolution and supplier statement reconciliations.
- Prepared fortnightly BACS payment runs, including high-value batches of approximately £400,000, by extracting payments due from SAP Concur and Dynamics NAV, completing payment checks and uploading batches to the banking portal for release by authorised approvers.
- Prepared supplier reconciliations and supporting accounting records for management review; occasionally supplied information requested by external auditors under the Finance Manager's oversight.
- Trained and mentored new joiners on accounting processes and improved recurring Excel workflows using AI-assisted tools to simplify templates and reduce manual processing.

Mortgage Underwriter | Sutherland Global Services **Sep 2020 - Jul 2022**

India

- Assessed 100+ U.S. mortgage applications per month for a lender client, reviewing borrower financial and supporting documentation against lending policies and compliance requirements.
- Analysed income, debt and credit histories; validated identity and Social Security numbers; assessed fraud indicators; and reviewed photographic property evidence as part of the underwriting process.
- Applied client lending policies and compliance checks throughout the underwriting workflow, including approval or decline decisions within assigned authority, while meeting quality and turnaround requirements in a high-volume outsourced environment.

PRACTICAL ACCOUNTING TRAINING

Practical Accounting Training Programme (Non-employment) | Future Connect Training & Recruitment Ltd **Apr 2024 - Feb 2025**

London, United Kingdom | Structured programme using simulated SME datasets

- Completed practical exercises covering double-entry bookkeeping, invoices and credit notes, bank reconciliations, VAT processes, journal entries, accruals, prepayments and management accounts preparation exercises.
- Used Sage, Xero, QuickBooks and Excel for ledger maintenance, invoice processing, reconciliations and supporting accounting schedules.
- Developed practical familiarity with SME accounting workflows and month-end support activities in a training environment; this programme was not paid accounting employment.
